## 1. How to register an account.

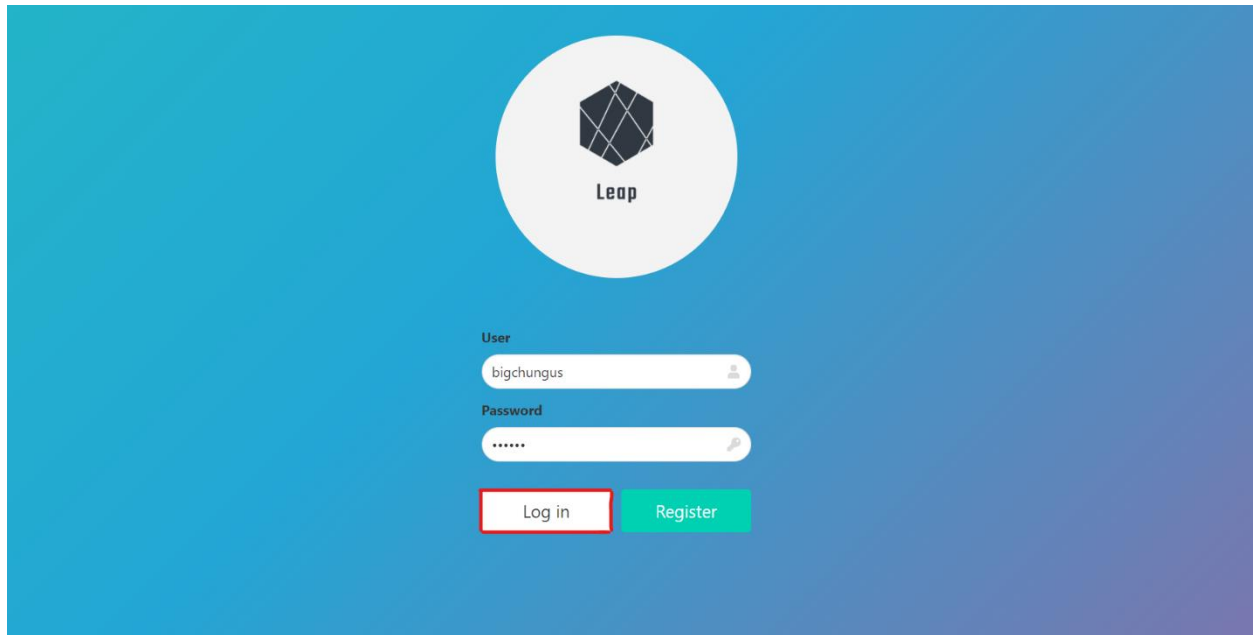

To create a new user, click on register

Fill the required fields and click register

After successfully registering an account you will be logged in and taken to the main page

## 2. How to log in.

The image shows a login interface for a service named "Leap". At the top center is a circular logo containing a dark hexagon with a white geometric pattern and the word "Leap" below it. Below the logo are two input fields: "User" with the text "bigchungus" and a person icon, and "Password" with masked characters "\*\*\*\*\*" and a key icon. At the bottom are two buttons: "Log in" (highlighted with a red border) and "Register". The background is a blue gradient.

To log in enter your credentials and click on the Log In button

### 3. How to change your information.

Once logged in, click My Profile from the navigation bar on the right side of the screen

The screenshot shows a form titled 'Edit your information' for 'bigchungus's Profile'. The form is divided into two columns. The left column contains fields for 'Name' (filled with 'bigchungus'), 'Phone', and 'Password'. The right column contains fields for 'City' (filled with 'Lazy Town'), 'Zipcode' (filled with '45302'), 'Street' (filled with 'WeAreNumber'), and 'Street Number' (filled with '1'). Below the form is a red circular button with a white checkmark, indicating a confirmation or save action.

Enter the information you want to change and press the button below to save your changes

#### 4. How to add a game listing.

The screenshot shows the Big Chungus website interface. At the top, there is a navigation bar with 'Home' and 'Games' (with a dropdown arrow). The 'Games' dropdown menu is open, showing 'View Games', 'My Games' (highlighted with a red line), and 'My Rents'. In the top right corner, there are links for 'My Profile' and 'Log out'. The main content area has a teal background with the text 'Welcome back, bigchungus' and a green button labeled 'ADD A NEW GAME' (highlighted with a red line). Below this, there is a table with columns: Id, Name, Type, Price per day, Owner, and Description. The table is empty, showing 'No records available.' and '0 - 0 of 0 items'.

Hover over Games in the navigation bar and click My Games button and afterwards click on add a new game button.

The screenshot shows the 'ADD A NEW GAME' form. It has a teal header bar. The form fields are: 'Game Name' (text input with 'BigMonkey'), 'Price' (text input with '25'), 'Type' (dropdown menu with 'PS4'), 'Genre' (text input with 'Agility'), and 'Description' (text area with 'BigMonkey has superpowers of being a big strong monkey. Help BigMonkey save the monkey town, he also likes banana'). A green 'SUBMIT' button (highlighted with a red line) is at the bottom.

After you've filled up the information about the game click submit to create a game

## 5. How to rent a game

Type OrderBy Genres Name isDescending Search

Id	Name	Genre	Type	Owner	Price	Description
No records available.						

0 - 0 of 0 items

First, hover over Games in the navigation bar and click View Games.

You must select a type for a game you want to search for, the rest are optional though for better results a precise search query is recommended. After you've formulated your query click search.

After all items are loaded, find the game you wish to rent and double click it.

December 2020 - January 2021

Start 12/23/2020 End 1/20/2021

RENT

Select the date period from/to you are going to rent it. Beware if dates are grayed out that means the game is rented for that period. After you're done click rent and you've just rented a game.
